#### MAKE UP TIME

We are offering a one week session for make up time. The dates for this will be June 23<sup>rd</sup> through June 27<sup>th</sup>. Students and parents are required to sign a code of conduct form and register before entering. Students will also be responsible for knowing the amount of time they are required to make up. The staff will ensure that the time make up forms will be filled out and delivered to the teachers. The hours are 8-4. Students once making up all required time will be allowed to leave. All make up time should be made up in as few of settings as possible, we do not want the time made up sporadically. This is a safety issue with the ongoing construction. Students will be allowed to leave for lunch for one hour if necessary. This will be covered in the code of conduct contract given to each student. Please see Mr. Matthews with questions
