

Project Based Learning & Blended Learning

Our teachers encourage students to think “Outside of the Box” and allow for students to create unique designs and projects. Thanks to our district’s IMPACT grant, we now have access to technology and implement Blended Learning through our 1-to-1 initiative with Macbook Air laptops.

Clubs and Activities

Becoming a member of a club or a team is something that we encourage. Many of our students are involved in clubs or activities while being IB students.

Some of the current clubs include:

- ◆ Battle of the Books
- ◆ National Junior Beta Club
- ◆ Youth Ministry
- ◆ Odyssey of the Mind
- ◆ Chess Club
- ◆ Foreign Language Club
- ◆ EcoWarriors
- ◆ Creative Writing
- ◆ Fitness Club

Students who wish to play school sports as Level II and Level III students will play for their “home” schools.

It prepares a community of learners to engage with global challenges through inquiry, action and reflection.
